

## Beratungskompetenz aus der Praxis für die Praxis

**Jahrzehntelange Management- und Personalerfahrung**  
– regional, national und international

RAU Management- und Personalberatung GmbH is located in Saarbrücken, Germany. With a team comprising 15 network partners, the company is active throughout Europe, across a diverse range of sectors, for **regional, national and international** small and mid-sized enterprises as well as large companies. The services are not only geared towards companies, but also people who are looking to take on new career challenges or are striving for personal career development. The expertise in a number of languages forms the ideal foundation for successfully handling **global** projects.

The company has decades of management experience, which serves as the basis for its guiding principle: **Consulting Competence: putting our experience to work for you.** As experts, individual solutions tailored to customer requirements are developed, the clients receive active support and the company works together with them to realize their projects.

### Range of services:

- ▲ Management consulting
- ▲ Human resources consulting, recruitment and placement of specialists, experts and management personnel
- ▲ Search for and selection of experts and management personnel via ads
- ▲ Direct search / executive search within the company's own research department
